FINDITPHONE is a text messaging service that gives the more than 240 million mobile phone users in the USA the ability to instantly request your company's information and the products and services that you offer. Your customers don't need a fancy smart phone or the expensive phone internet plan, they don't even need to pre-register, they just send a text message request, and your information is instantly return to the palm of their hands (e.g., Company Bulletin, Event Schedules, Product Description, Discounts, Promotions, etc.). By the way, you can instantly update the information that the customer receives, right here on this website.
